## **IM Incubator Bonuses**

**Bonus #1: "3 - Cash Now IM Incubator Coaching Sessions"**

**(Value \$2,000)**

Over the course of the next 90 days, once a month we're going to get on a live call where I will personally work with you to help achieve your goals.

## **The Cash Now IM Incubator Coaching Call**

The call is broken into three parts

### **Part 1 - Training**

Each month I'm going to be teaching you live, step by step strategies on building your online business (aka How To Drive More Traffic, How To Increase Your Sales, How To Extract More Money From Your Business, How To Scale And Automate Your Business So You Have More Personal Time For Fun) I'm going to show you the EXACT methods I personally use.

Also because the internet is constantly changing and what worked really well a year ago may not work as well now so I am constantly tweaking and testing and making sure that everything that I teach works. And not just works but works better than anything I know.

So anytime I discover something new I will share it straight away on this live call. So it can be anything from a new traffic source, so if tons of traffic to your website for free and I just discovered a new source I will share it with you. And by the way no one else gets these live trainings; it's only for alliance members.

### **Part 2 - Q and A**

After the training we will go into a Q and A Session. At that time you can bring me your problems, your celebrations, your questions and anything else you need my help with. This is essential because when you don't get your questions answered this leads to confusion and a lack of focus, which leads to chasing shiny widgets. However when you do get your questions answered, you will have direction, focus, and clarity.

### **Part 3 - The Get More Freedom Strategy Session**

This is where the magic really happens, every month I'm going to be working with you one on one on your business. I'm going to bring you on the call live and tell you exactly what to do step by step, give you simple things to do and make sure you do them.

I'm literally going to hold you by the hand and work with you on your business. Since we do this with GoToMeeting I'll be reviewing your stuff LIVE.

Need help with sales copy? You got it. I've been cranking out winners since 2010.
